Washout

Sir: It has always baffled me that enemas are such an apparently popular pastime among your readers. I've actually taken the trouble to talk to the few 'enema freaks' I know to try to establish what it is they find so pleasurable, but all they say is that sex can be enhanced by the 'cleanliness' an enema brings. Far from content with this answer, I recently attended a yoga weekend, the theme of which was fasting, and was attended by 13 people. The day commenced around 6 a.m. with strenuous yoga positions, and it was only later that evening that the subject of 'inner cleansing' was broached. The very frank way the tutors talked about vaginal and anal cleansing clearly embarrassed the young ladies present, who, if they'd known what was in store for them the following day, would probably have got up and left!

The following day the tutorial was taken over by an attractive young lady, who removed her clothes and provided each of us with a bowl of water, and bade us remove our clothes in preparation for an enema without the usual nozzles and bags. I sat incredulous as the young woman casually opened her vagina, sat in the water and, by a combination of muscle control and applied breathing, drew the entire contents of the bowl into her vagina! This, she explained, was performed using an abdominal exercise known as *nawhli.* After trying for nearly an hour, I managed to assimilate almost a pint of water into my bum, but the girl sitting beside me gleefully stood up after just five minutes and emptied no less than five pints of water from her arse and pussy, to rapturous applause from us strugglers. While this weekend left me feeling gloriously invigorated, I am still very much in the dark as to why or how people can enjoy enemas in an *erotic* capacity. Admittedly, it's quite a turn-on seeing a pretty girl squirt water from her snatch, but having a pint of water up my arse didn't exactly give me a hard-on. Perhaps one of your many enema-freak readers can write in and illuminate me on this subject.

Kitten Natividad – one hell of a woman

The Big Three

Sir: The 10-page spread of Kitten was fantastic. Words fail me. She really is one hell of a woman. I was going to ask for more of the same, but then it occurred to me that the legendary Candy ought to be given the same treatment. Ten super colour shots of Candy! It's a must. And a further 10-page spread of their bosom pal, Ushi Digart, would complete the trilogy.

These three incredible females have been the outstanding heavyweights of the boob scene for perhaps a decade. There have been plenty of other well-endowed girls around during this period, but none has come anywhere near to producing the air of total sensuality that surrounds the 'big three' (or is it six?).

I feel sure that your readers would fully approve of such a tribute to these three superb ultra-vixens who, between them, have given so much pleasure to so many panting admirers.

D C, Southampton

Smile Please

Sir: I am writing to ask why your models in *Club* always look so serious. Don't they enjoy sex? Nothing gets my prick going more than a girl with a big sexy smile showing lots of teeth. Girls with sexy smiles always look like they'd love to give you a sensational blow-job and, in my experience, they usually do. I feel more pleasure entrusting my spunk-filled prick to a girl who looks like she's enjoying it rather than to a girl who looks so serious you don't know whether she might bite it off.

Smiling never detracted from Marilyn Monroe's status as one of the world's top sex bombs (quite the contrary) so why not get your models to cheer up a bit?

Paul S, Winchester

Smile please, girls

Doctors and Nurses

Sir: I read Tony M's letter a few months ago with great interest, and I am rather pleased to learn that my husband and I are apparently far from alone in enjoying the somewhat kinky bedroom games we have played since our honeymoon. However, I get the feeling we've progressed a stage or two further than Tony and his wife, because we both get a real charge from examining one another in a medical fashion. On such occasions I wear a nurse's uniform with a deliberately shortened skirt and, of course, the obligatory black silk stockings and suspender belt (no panties). After anointing his penis with KY jelly, stroking it and sucking it and stopping just before he reaches the point of climax, I let him examine me.

He starts on my tits, stroking them and squeezing my nipples so that they are fully erect (having first unbuttoned my tunic or, occasionally, cutting it open with a scalpel). This being accomplished, he clamps my nipples with lightweight surgical grips, then concentrates on my cunt, oiling it, fingering it, sucking it until I achieve full clitoral erection. He then clamps both of my labia, attaching strings to the clamps and tying them to the side of the bed so that I am perpetually open. He then stops a while to admire my highly-exposed condition and then – slowly and deliberately – he takes a large syringe and fills it to capacity with warm baby oil. This he inserts three to four inches inside my pussy, after first elevating my crotch by stuffing latex-covered cushions under my bum. He then slowly empties the contents of the syringe into me, withdraws the syringe and slips a dildo into me, right up to the hilt. Leaving it there, firmly embedded, he 'finishes me off' with a battery vibrator turned to maximum speed, and in no time I am coming uncontrollably. Only when I am pleading with him does he stop, only to replace the dildo with his own magnificently erect cock.

I know that most men find the idea of an attractive girl dressed as a nurse highly erotic, though I am always surprised that such 'naughty' behaviour on my part can lead to such excitement on his. I think he experiences a feeling of guilt at getting pleasure from something he knows he shouldn't really be doing at all. It's all a really disgusting way to enjoy each other, and sometimes, with all the rubber tubing, clamps, dildos, etc, lying around the bed, it gets a little embarrassing – but when you've gotta come, you've gotta come!

Valerie, St Helens

Queenie

Sir: I was feeling randy when I was last in Birmingham and I recalled the area just off the Stratford Road – Sparbrook – where the pros used to patrol at about half past nine trying to pick up a companion for the night. Some of the more well-known ones had nicknames. My pal told me to ask for Queenie, so I duly asked an old bat where she lived. I thrust a couple of quid in her hand and she told me.

When I got there, it turned out to be a grubby and greasy bed-sitter on the third floor. The door was not properly locked so I knocked and entered at the same time. There, lying on her back in her bed, was a buxom, chocolate-coloured woman – the stuff you dream about – height 5ft 8in, weight about 13½ stones, age mid-thirties. She had thick lips with white teeth, black rolling eyes and very big boobs which were partially covered by a too small bra. I'd heard about how well she fucked and all the kinky things she liked doing.

She raised her eyes and said: 'What the fucking hell do you want?' I moved across to the bed and said: 'A whole night's fucking,' and thrust two 10 pound notes into her hand. She smiled and said: 'Take a chair. Perhaps you'll let me tidy the place up first. In the meantime we'll have a cup of tea.'

She called some of her gentlemen friends 'sportsmen' and joked about the different ways they were turned on. Perhaps a bit of cock-sucking for one, but the norm for most was French kissing.

Later they would gladly lick her hairy fanny while she played with their balls, with one hand securely round their cock. She was a dab hand at holding back the spunk. Her greasy hand would slow the stroking down and then, with both hands, she would give one almighty jerk to the knob and the cum would shoot in all directions. Normally this left the balls well and truly dangling. Some paid extra for more daring deeds. A game of threesome could be arranged at an extra price.

I had become very horny and pointed to the bulge in my trousers. Pushing aside a slight tinge of embarrassment, I started undressing myself. We were soon both naked on the floor. I was kissing her, while my hand was pumping at her lovely, black pussy. Soon my cock was mercilessly shoved up her twat which, dammit, was very roomy. It proved a real good dirty fuck and I simply had to have her again. So, both naked, we flopped into bed and I slept with my hand on her slimy twat.

When I woke up, my cock had hardened and I was determined to fuck the arse off her. She started to stir, so I pushed her legs wide apart. I insisted that she get out of bed and put on stockings and suspender belt.

Soon I was running my hands up and down her smooth, stockinged thighs, slurping at her cunt and sucking on her clitoris. In no time, I had my cock in her oozing fuck-hole. She took it right to the hilt at the very first stroke without even blinking, flexing her cunt muscles in appreciation, guiding my hands to her large boobs. I sucked greedily on her nipples as I increased the pace of my fucking.

Hell, did she know how to fuck! I would remember this address for a long time. It must have been nearly midday before we got up. She went downstairs and showered. When she returned she seemed in a very good mood.

Which Girl?

Cover girls Jane, Susie and Bev line up for your inspection. But which girl would you most like to see spreading herself over eight glorious pages in Club International? Your choice, please, to The Editor, Club International, 2 Archer Street, London W1V 7HE.

Big Talk

Sir: In reply to a recent letter in your pages, yes of course a 10-inch cock is 'possible'. Hasn't this guy ever seen a stag loop? I don't happen to think that nine inches is particularly rare either. In fact it strikes me that this guy, George, I think, is typical of all those who, because they're only moderately-hung, don't *want* to think of guys like me walking around and fucking their women's brains out behind their backs! To add to their misery, I should inform you that my cock is pretty thick too: seven and a half inches in circumference, guaranteed to get those horny ladies *really* turned-on (Sorry, George, I'm only teasing, I've got a big one, all right, but my ego is probably smaller than yours!).

So, to all readers like George who envy big-cocked chaps like me, take my advice and don't. I've met plenty of girls who have been unwilling to fuck me because of my size, a few who've refused outright, but plenty who, while managing to accommodate it, have complained of soreness and discomfort afterwards – particularly my more 'petite' conquests. Fortunately, while not having the sexual tastes of the average Turk, I nevertheless prefer larger women.

READERS WRITES

full well she'd talked into a solid hard-on.

This mature, intelligent woman didn't want to kiss or cuddle; she purely and simply wanted cock. At first I found her brazenness a bit overpowering, but as soon as I'd slipped (or squeezed, rather), my ten inches into her, I knew what sex was all about – and by the same token she knew *exactly* what she wanted, specifically a lot of heavy finger fucking as a prelude, then to be up-ended into the all-fours position and fucked as violently as possible, with my thumb shoved hard up her as she wiggled about.

On later visits, she would wear erotic lingerie or see-through nighties, but she quit doing this when I complained it made me too excited: she hated nothing more than me popping my nuts too soon! Inevitably, I *did* become hung up on her, and finally blew it by breaking her golden rule about 'no surprise visits'.

However, I'm pleased to report that my bruised ego survived, and I sincerely hope my ten inches of cock will stand up to a lifetime of equally voracious women!

Liquid Assets

Sir: I read with interest a letter to a woman's magazine in which a young woman described how she enjoyed jumping in the sea and pissing through her bikini bottom. This reminded me of something that happened to me in my late teens. As the young girl said in her letter, pissing is a great way of relieving tension and, as far as I'm concerned, it's a great way of leading up to a masturbation session. However, I differ from that young lady inasmuch as I fully enjoy wetting my panties and walking around in them.

My interest in wet panties started when I got involved with athletics at school.

We'd have to sit around on the grass while the teams were being chosen, a heaven-sent opportunity for me to push my skirt back, pull my pantie-crotch tight up between my labia, and saturate the gusset with warm piss. This was made better still if I had a really full bladder: not only was the relief incredibly sensual, but I was able to run around for at least two hours in soaking wet panties, clinging to my arse and pussy. Anyway, one day a sudden change of plan caused me much anguish.

The track events had been called off because broken glass fragments had been discovered on the 100 metres track. Instead, a bus was waiting to take us to the swimming pool, and we were ushered aboard without the opportunity for me to take my now desperately-needed piss. How the heck I managed to hold out without disgracing myself I'll never know, but I retained the contents of my bladder until I walked into the swimming pool locker room, at which point the first squirt of piss burst forth, saturating my panties. I managed to withhold the main onslaught until I caught sight of the water, at which point my piss-valve went haywire, causing high-pressure jets of piss to cascade in all directions from between my thighs. Luckily, an antiseptic foot bath was nearby, so I pretended to slip and fall in it, thus concealing my pools of piss with the splashing commotion I made in the process of clambering out of the water. Looking back at this happening, I'm surprised I bothered to conceal my 'accident' as I'm now so obsessed with watersports, I actually enjoy shocking people by pissing myself in company. In fact, I distinctly remember my first deliberate piss. I told my teacher I felt sick and had bad stomach pains, and he told me to go home for the rest of the day, but I told him (untruthfully), that I had no door key. So he reckoned the next best thing was to put my head down on the desk and rest, which was exactly what I did – and I shall never forget the thrill when, a few minutes later, I had my first deliberate 'accident'. I made no effort to lift my skirt or pull my panties aside. The first anyone knew about it was when the piss began to cascade noisily from my seat on to the tiled floor. In a few seconds everyone in the classroom was turning around staring at me, but I made no effort to stop the river of piss I'd been saving up, and by the time I'd finished there were huge pools of piss and tiny rivulets, linking them up and trickling between the desks. Everyone was surprisingly sympathetic, and the teacher suggested I change into my running shorts, but the only thing on my mind was walking home with my skimpy cotton skirt glued to my butt by

MINETTE

She is that rarest of rare birds, a Hindi glamour model from the Punjab – and an exquisitely beautiful one at that. Not that the transition from immigrant, Bradford based textile worker to nude model has been easy for this 36-24-34 twenty-two year old. In addition to lots of soul-searching she's had to cross numerous social and religious barriers. And while she's now earning much more money than she ever dreamed possible, Minette's effectively an outcast from her family. She insists she's made the right decisions regarding her future, however. 'After all,' she says by way of qualification, 'I've landed myself two movie parts and more naughty modelling work than I know how to handle!' But doesn't a girl need friends? 'Well, girl-friends I can do without. As long as I've got someone to take care of my immediate, um, *physical* needs, I'm happy. One night stands? No way! I need long, slow and, above all, very *imaginative* loving . . .' **Go to page 20 for Minette.**

KATRINA

Katrina, dare it be said, has never ski'd in her life. Which is strange, if only because skiing's one of the few 'recreational activities' that Katrina hasn't at some time in her hyperactive life turned a hand to. More than just another boring fitness freak, she excels at sport, track events and gymnastics in particular. But surely there's not much flab to fight at 23 years of age? 'I'm more concerned with suppleness than being able to run three miles without losing my breath. It's surprising how much better I am in bed now that I can do the splits, for example, or wrap my ankles around my neck, or touch my toes, or . . .' A delightful prospect! But surely, isn't sex a form of exercise in itself? 'Hardly. Most girls just lie there. But if I can arrange myself in some outrageous position, it really gets my boy-friend going – especially if I happen to be wearing stockings and suspenders as well. I mean, if a girl's going to act the whore in the bedroom and all that, why not do so in style?' Why not, indeed! **Katrina is on page 66.**

MANDY

She's no stranger to undressing in a professional capacity – but no less charming for it. Sure, Mandy's appeal is tarty rather than virginal (infinitely more slap 'n' tickle than romantic!) but then, a guy knows exactly where he stands with a girl like her, ie, bang in line for a good time! At 26 she freely admits to having 'starred' in some VERY naughty movies which, she says, she enjoyed enormously. 'Being naked in front of a movie camera arouses my worst instincts. I'm a natural exhibitionist, and if there's something sexual I can do which shocks, I'll do it – no matter if I'm being paid or not.' Oh? We wondered, cynically, now *that's* an unusual outlook in this materialistic day and age! But Mandy was adamant: 'Only last week I went to a really terrible party with a girl-friend. We pulled the tastiest guy, took him upstairs, undressed him and gave a three-way exhibition for the benefit of all the bored guests.' Now, why don't I get invited to parties like that? **Turn quickly to page 46.**

MICHELLE

If *ever* there was a model of whom it could be said 'background bio' is entirely superfluous, it's Michelle. Nature intended this gorgeous honey blonde teenager to be looked at, certainly; fawned over, inevitably; fondled . . . eventually. But to be WRITTEN about? Even so, Michelle's IS an interesting story, because she's been selected from over 100 young blonde hopefuls to star in a Hollywood movie based on the life of 1950s stripper turned movie star, Mamie Van Doren. Not bad for a girl who less than eight months ago was working part time in a hairdressing salon in Arundel! Spectacular looking as Michelle unquestionably is, we couldn't help but think of her as a little on the 'light' side (38-24-36) for the young Van Doren. 'I thought so too,' says Michelle. 'But by lacing my waist it's possible to exaggerate ALL my curves – boobs included. After that, it's just a question of posing correctly.' What with the success of other movies based on movie star biographies (*Frances*, *Mommie Dearest*, and *Bebe* in the making), the success of the Mamie Van Doren story seems a foregone conclusion. **Michelle can be found on page 86.**

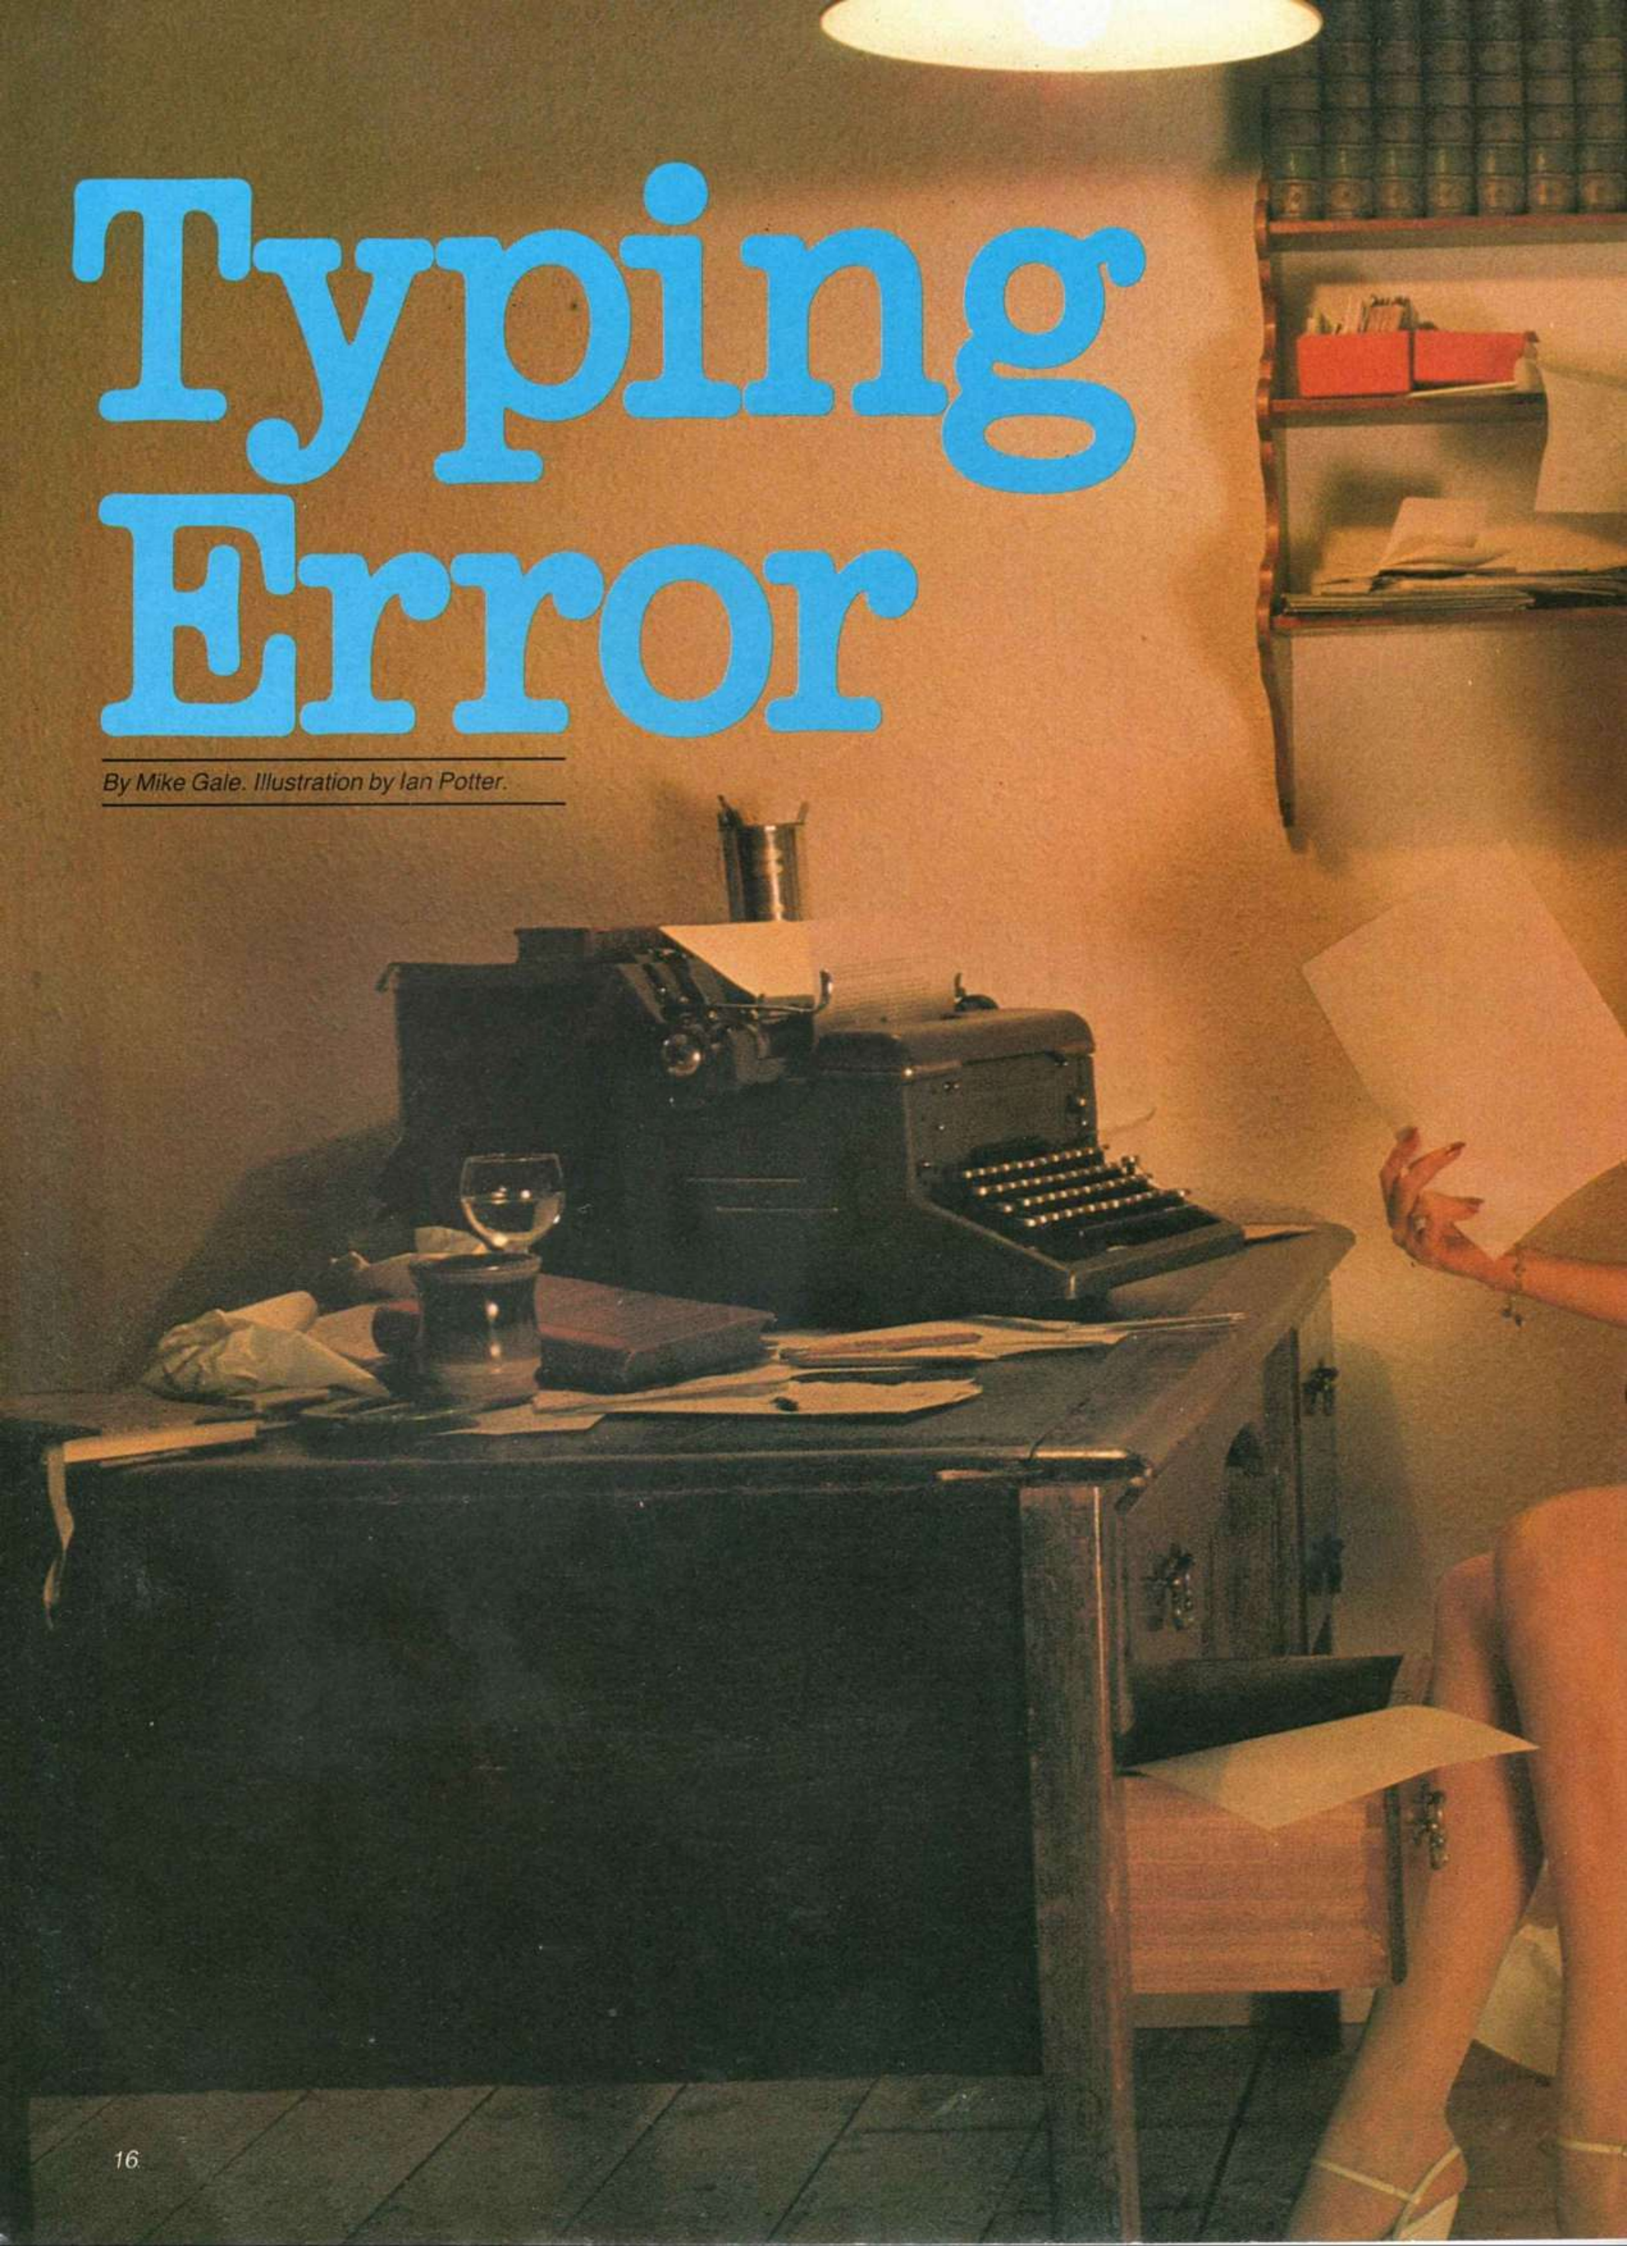
Typing Error

By Mike Gale. Illustration by Ian Potter.



Sharon sighed in anticipation, spreading her thighs apart as she eased towards the edge of the soga –' damn!

Harry cursed freely and reached for the bottle of Whiteout. Retype almost immediately, it said, dries in seconds, it said; yes, if you didn't mind the keys looking as if they'd been dragged through a bucket of whitewash. He shoved the typewriter aside in disgust.

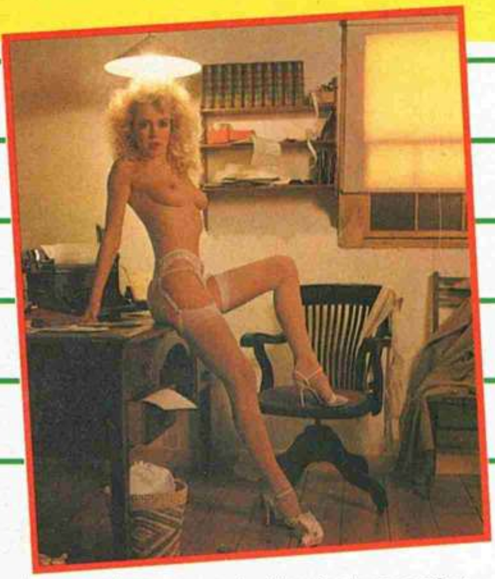
It was a wonder he produced anything with the Chinese bloke in the room below constantly complaining about the noise. Bloody cheek, considering he monopolised the tiny shared kitchen concocting foul messes which would no doubt later be reproduced on a larger scale for the unfortunate customers of the Shanghai Duck.

Harry's prospects of producing a best seller, or a book of any sort, were fast fading at his present production rate of something like a hundred words an hour. Surely Harold Robbins never had this trouble. He probably passed his work over to some nubile blonde to punch up on a word processor who would sort out minor details like spelling, punctuation and grammar at the same time.

He kicked the chair back and stared from his attic window over the shiny wet roof-tops of Streatham. It was not a pretty sight.

Later that evening, fortified by chicken and chips and strong tea from the café opposite, he decided to ring the number. The ad had been in a newsagent's window: COMPETENT TYPIST REQUIRES WORK OF ALL KINDS. REASONABLE RATES.

Up to now he had resisted the idea, partly through cost, but mainly through embarrassment. A best seller needed plenty of explicit sex these days, but the thought of a stranger tapping out his



ORGASMS IN THE KRAKATOA EXPLODING CLASS WERE UNKNOWN TO HER.

steamy phrases made him feel uncomfortable, like buying Durex from a female assistant. He had to overcome this fear or pack the whole thing in.

Her voice had sounded reassuring on the phone.

'If you have some ready bring them over, Mr Madger,' had been her last words. Hopefully she wouldn't expect Booker Prize stuff.

The house was bigger than he had expected, a spacious semi in one of the few remaining desirable roads. Mrs Mason ushered him in, keeping up a commentary on the weather. She seemed nervous too. How ridiculous!

The lounge was more than comfortable. An aquarium bubbled gently in the corner, the carpets were thick, and the ashtrays the kind only a brave man would actually use.

Stockings

Over a cup of coffee Harry had the opportunity to study her. Late thirties probably, and generously built, but not fat, well dressed but nothing flashy. He found himself thinking that almost certainly she would wear stockings rather than tights.

He left her the first twenty pages, aware that he had not given any clue as to the contents beyond hinting that it was geared to modern readers. What if her husband disapproved and came round to duff him up? Oh well, he'd just have to take that risk.

Mrs Mason settled down to work. She didn't need the money but it was nice to have an income of her own. Her nimble fingers flashed over the keyboard, a page finished immaculately in moments that would have had Harry cursing and crumpling paper for an hour.

She began to read it through carefully. As she did so a flush came to her cheeks and her breath quickened. The rude words which had previously passed in a blur, seemed to burn themselves into her brain.

'Jack massaged his bloated penis in front of Sharon who stared at it as if hypnotised. Then she sank to her knees in front of him, taking the purple knob into her mouth, her tongue teasing and flicking. Sensing he could hold back no longer she pulled away, the white salty come spraying over her face and neck . . .'

Mrs Mason let the page fall to the floor, aware that her heart was pounding, aware also of a dampness between her thighs and a tingling she had not felt for a long time. Oh, Mr Mason did his best sometimes, but it was strictly of the roll on, roll off, grunt, snore variety.

Orgasms in the Krakatoa exploding class were unknown to her. But what if she was really awakened? What if a man, say, just for example, Mr Madger, was to appear like some horny genie of the lamp, complete with swollen penis and huge hairy balls hanging down between even hairier thighs?

What's wrong with your old dress?

She kicked her shoes off and stretched out full length on the couch, her dainty stockinged feet comfortably raised on a cushion. Almost unconsciously her slender fingers began to busy themselves under the shiny satin fabric of her panties. As the images of ever more massive cocks grew more vividly in her mind, her fingers became restricted by the tight pants. Impatiently she tugged them down to her knees, then off completely. She let her thighs fall open to accommodate two fingers. Frantically pumping away she picked up the page again.

Elegant Leg

'Sharon arranged herself carefully in the armchair, a slim elegant leg draped over each arm. Jack, still flaccid and damp from their earlier exertions watched her from the floor. She put a finger in her mouth, for a moment resembling a naughty school girl, then, slowly and deliberately, she began to trace a circle around her exposed pink hole with the moistened finger. Jack felt himself hardening again. Her finger circled faster, one moment brushing through the crinkly pubic hair, the next tracing the delicate smoothness of her inner thighs. Gradually the teasing circle shrank, until with a groan of pure lust she let her finger plunge deep to end her self-inflicted torment. Almost at once her hand was pulled roughly away, and Jack's cock, now iron hard, pushed urgently against her swollen cunt lips. Sharon shuddered mightily as he buried his length in her, ejaculating almost immediately.'

Mrs Mason was now almost bouncing up and down on the couch. She placed one leg on the floor and surrendered to the pleasures of three fingered masturbation, gasping as wave after wave of relief flooded through her. A few moments later she rose weakly to her feet, turned over the dampened cushion, and staggered off to the shower room.

Less than two miles away in his fifth floor bed-sit, Harry lay in bed fully clothed except for his trousers. It was cheaper than to endlessly shove coins into the meter he was convinced Mr Adropolis had rigged.

He would see her again on Wednesday. Luckily the next few pages were fairly harmless. On the other hand she might like the hot stuff. He imagined she would have expensive nightwear and a sumptuous bed-

"I thought they were joking when they asked me to take a computer test to find my perfect partner."

'Me? Meet someone through a computer? I meet people at work, through friends...' I thought. But did I?

How many new people had I met in the last year? Very few... and those weren't in any way special. Dateline said if I completed their **Free Matching Test,** their computer would search through the personality profiles of tens of thousands of other Dateline members to find someone who was right for me. Then if I wanted, the Dateline computer would run for one year to introduce me to as many people as I would like to meet. Many would be living in my area; people with whom I'd have a lot in common... someone my own age... who liked the same things I liked... to go to the places I wanted to go... had similar interests. Someone who I'd really like to meet... who would would like to meet me. And they did!

How long has this been going on?

14 years ago Dateline introduced this new concept into the lives of millions of single men and women. Now they are more in demand than ever, and are happy that they have helped so many people, not just through love and marriage, though their success rate is high, but simply through giving people like me the chance to meet and expand their social lives. **If you would like to see how it could work for you...**

LIFE WITH Linzi

LINZI DREW, one of the sexiest and most photographed models in Britain, writes exclusively in *Club International* . . .

Hi!

The model release form was quite specific. It said: 'Linzi Drew agrees to appear nude on the London–Exeter express . . .' And I did! There I was doing a scene for *The Breast of Russ Meyer*, film producer of *Beyond the Valley of the Dolls*, and *Supervixens* to name just a couple of his 24 films, all featuring very big-boobed ladies. I was completely starkers, facing the camera, inside the first class compartment, with my bum resting on the window, legs wide apart, on the floor, and pretending to have an orgasm – and a partner! Hilarious, but a bit chilly, I can tell you. And there's nothing like the real thing!

The camera rolled as Linda, Russ Meyer's lady friend with enormous titties, stood jamming the door with all the commanding height of her Amazonian frame, so that travellers and officials passing in the corridor couldn't get a glimpse of the action within!

In the next carriage an old lady sat looking a lot like her pet peke, and an Army type in a 'British Warm' glared at his *Times* crossword puzzle. I would have given my whole fee just to watch their reactions to what I'd been up to! The film crew had decided to bribe the guard, so the continuity girl kept a watch out for him, armed with some ready cash, but no one came. (Well I did but I had to fake it!) I'd have loved to have seen the expression on the ticket collector's face when asking for my ticket – me of course still being totally naked!

All part of a month's work, but it was through being a conti-

nuity girl that I got into blue movies which were directed by an old boyfriend of mine.

The girls and guys performing in them are paid about £100–£150 a day, but you soon learn not to pay them in full until they have completed the shoot. Most of the people are unreliable and wouldn't bother to turn up the next day if they didn't feel like it.

I remember one girl, a school teacher who was doing it for the first time. She really got into it and obviously loved being screwed by the guy with or without the camera. But she didn't bother to show up the next morning. When the director rang her she said she didn't want to know, and slammed down the receiver. She never bothered to come and collect her day's fee.

The girls generally fall into two categories; nymphos or girls who are hard up for cash and think they can just lie back and think of England! This is more or less true, it's the guys who have all the problems!

It's amusing really to think that guys dream about screwing an attractive lady and get-

It's coming up to TT time and Linzi is raring to go. 'Maybe I'll see some of you guys on the Isle of Man during TT Race Week. The editor wants to enter me in the Miss Wet T-Shirt Contest held after the last race at the Palace Lido in Douglas. I hope you'll come and cheer me on . . .'

The Hollywood glamour look of the 1950s is coming back into fashion, and neck lines are starting to fall way below the neck line to mould themselves around the bust – much to the joy of us all.

The bosom-clinging pink velvetine dress Marina's wearing was designed for *Club* by Jennifer Monteith. It comes with a matching pink net petticoat and black bow, and the whole ensemble costs £190 exclusively from Lucy's, Knightsbridge, London SW1, under the *Pinks* label.

All Marina's accessories – gloves, necklace, ear-rings and corsette – are available from Bastet, 6 Marylebone High Street, London W1.

The Designer

Jennifer Monteith began her career in Paris, working for the Brigitte Bardot design company, and ever since her clothes have had a fifties show business touch about them.

Her clothes are available exclusively at Lucy's in London and in selected boutiques outside London.

ting paid for it. But unfortunately, lots of the time, their willies are so overawed by the situation that they won't function properly. They get a rejection fee of around £30 and get sent home along with their limp cocks! I suppose it's a combination of all the hot lights, a big sound boom looming above their heads and people wandering to and fro. The worst bit is when the cameraman wants to change angles. There must be nothing more off-putting to a guy, when he's just on his short strokes, to have someone hiss in his right ear: 'Shift over to your left, and get your arse higher. I can't get a good cunt shot from here!'

Pairing Off

Actually, the company I used to work for had a much better approach. The cast would all turn up at the location around 10-ish, and literally get paired off then and there, by their own preferences if possible. I'd be sent out for some lunch and booze, whilst rooms were lit, and make-up applied. I would always go for white wine as that seemed to be the best for relaxing everybody. Red wine is too heavy, and can easily make a man's willy go to sleep – and beer is even worse! A couple might be really getting it together and the guy has to hop off the bed for a pee, and may not be able to get hard again when he returns!

Cameras start to roll about 12.30, after a light or liquid lunch. Combinations of boy-girl, girl-girl, boy-girl-boy, etc are all ready for work. I've never yet worked on a porno film that did boy-boy stuff, although whatever turns you on!

I'M NOT USUALLY DOMINANT WITH PARTNERS, BUT HE NEEDED GENTLE BUT FIRM HANDLING

Anyway, if it all goes well, you can be straight into the sex scenes after filming a few short intro bits that need to be got out the way first.

There are a few good studs about that can screw for ages without coming, and then on a word ejaculate a fountain of spunk! These guys are invaluable on the porno circuit.

The 'come shot', as it is so precisely called, nearly always ends a porno short. Some of the guys can't do a 'come shot', but can stay hard and screw for ages. Others can't get it properly hard at all, but can have a wank to achieve their 'come shot'! Cameras and lights just basically cause the would-be stud problems.

The funniest times are when they call for the 'stunt cock'. This guy is one of the invaluable studs on the blue scene. His face is too well known for him to perform more than a couple of times in the same film. It's a wonder people don't keep recognizing the same old willy! He always comes to the rescue when the original partner is drooping. The camera stops filming, the 'stunt cock' changes jewellery and possibly his shirt and jumps into position, whilst the droopy cock pops out, but still does the voice over for the stud's orgasm! Amazingly, when it's all edited together, you'd never notice a thing, except how similar in appearance cocks are!

One of the characters I met on my porno travels was a nurse called Jackie. Porno films were her hobby. She once told me her ambition would be to work on a terminal ward at the hospital to give all the guys there a last good seeing-to before they pop off. She was one of those ladies who is into every deviation. Bondage was one of her favourites. She was always walking round with pegs on her nipples (ouch!) and playing with herself whilst reading really heavy magazines, depicting men with nails and chains and things through their vital organs! She was also into the much more ordinary sexual pleasures, like sucking and fucking anything that moved. She always goes down well at a party, or anywhere else for that matter!

Lathered All Over

I actually met Lindsay my flatmate on a blue movie set. He was one of the studs. He'd been rumping all afternoon, so I wondered if he'd have any energy left for little ol' me? I'd been on set watching him, feeling really horny. I walked into the bathroom an hour or so later to find him relaxing in a huge sunken bath. I told him to 'just take it easy,' when a surprised look crossed his face. He lay back grinning, and I took the bar of soap and lathered him all over. I dried him in a big fluffy towel and we set off into the nearest vacant bedroom. He seemed to be enjoying the fact that I was taking the lead role. I'm not usually dominant with partners, but under the circumstances he needed gen-

LIFE WITH Linzi

tle but firm handling! I slipped out of my white leather mini-skirt and skimpy top but let him slip off my (by now very moist) knickers.

'Hey, it's funny we got the same name, Lindsay,' I laughed.

'Yeah, it's really strange Linzi.'

We sounded like a couple of parrots! I rolled him over onto his tummy and straddled him across his buttocks.

'Baby oil for a big baby,' I chuckled. And started to give him a full body massage with oil. From his neck to his toes I rubbed, stroked, and licked every little part of his body before rolling him over to reveal his huge erection! This was far too good to be interrupted, so I locked the doors to ward off any nosey cameraman. I didn't want this explosive performance on film! Whew! What an amazing evening of sucking, fucking, licking, and plenty of coming.

Firm Friends

Lindsay and I became (as you can imagine) firm friends. He needed a new place to live, and I had a room to rent, so the next morning he moved into my flat. Who could resist such a great opportunity to have a mind-blowing ready-made fuck so close to home?

I've only ever been in one blue movie, and that was doing a striptease. There was this scene where the action takes place in a seedy Soho strip joint, and on comes the cabaret, courtesy of Linzi. The director and myself put together a very horny strip number with me being very macho in black leather gear. It seemed to get everybody, including the film crew, at it!

> A VERY HORNY STRIP NUMBER WITH ME BEING VERY MACHO IN BLACK LEATHER GEAR

Most of the blue films today, in this country, are made in Scandinavia, as the 'Anything Goes' attitude is sensibly adopted there. One Swedish lady I know called Stella was on the cast of a film I worked on here in England, some time last year. She had a thing about big black studs. Well, the director had found this guy called Larry (goodness knows where) who had a cock that was 10 inches long when it was *limp*! You've never seen anything like it.

'Give it a cream bun!' shouted the sound man when this monster was first unleashed. But even a cream bun couldn't have done the trick! Larry just couldn't get it hard. He really seemed to be turned on by Stella's Nordic good looks, but his huge weapon wasn't. Everybody was so disappointed, as we were all dying to see it's colossal length when erect. The silly thing is that when everyone had given up and gone on to the next couple, I heard whimpers of delight coming from the dressing room. I sneaked in, pulled the shower curtain aside, and there they were going at it hammer and tongs!

Most people in the blue film business are really nice fun people, having a good time and making a buck. But beware, as with everything, there are a few nasties about.

One Swedish director I met, had the attitude that 'if the boy can't make it I will'. He'd shove the guy out the way and, before the girl realized what was happening, off with his pants, and there was a ready made hard-on to fill the gap! Which is all very well, but he could at least have said 'excuse me'!

These days when I watch blue films at home they must feature pretty girls and not only well endowed, but good-looking men to get me turned on. So many of the Scandinavian ones these days don't. The most beautiful porno films, I think, are the French ones. All the people in the French films are so stunning and sensual that it all becomes like a hazy fantasy. The Americans, as usual, put so much cash into whatever their business, and blue movies are no exception. An amusing one I recently watched was an hour long $2 million budget movie on ENEMAS! Whatever turns you off!

English porno films are no longer being produced. All the pornographers here are behind bars. *Electric Blue* here in the UK is the accepted face of pornography, which I find has an amazing erotic quality. Every film producer here seems to be trying to emulate *Electric Blue*'s style. None of them, in my opinion even coming close. I also love their creative and amusing ideas.

Jelly Wrestling

I once did a jelly wrestling film for them, with my friend, Marie. We had a great time writhing around naked in slippery warm jelly. Marie unfortunately won our wrestling bout though. Boo Hiss . . .

Another video I did for *Electric Blue* was a very amusing sketch. It's in *Electric Blue 10*, I think. Anyway, do you remember the Duracell ads that show you various examples of how their batteries last longer and longer? Well *Electric Blue* did a sketch with the same theme, only this time with vibrators! Using three models posing as a panel of housewives, we had to test the batteries. Guess who got the Duracell battery? Me! But a Duracell battery is not half as good as the real thing, eh?

Ta Ta for now. Any dirty comments please address them to me at *Club*, and I'll answer them in your favourite magazine as soon as possible. Till next month, be good.

READERS WRITES

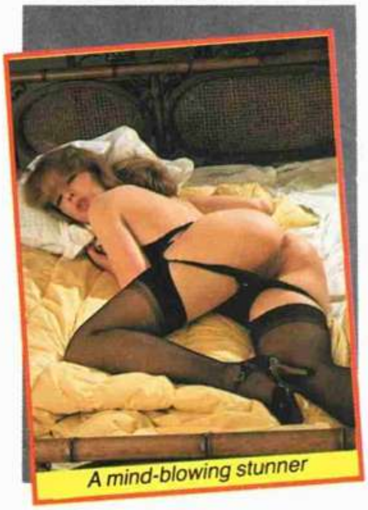
the pint or so of piss I'd just voided. All the odd looks I received only served to turn me on and one guy, obviously on my wavelength, approached me and asked if I'd like to get into some games with him. I turned him down flat, rushed home and had the best masturbation session of my life, imagining this guy and I getting into all sorts of games. The following day I took up the guy's offer and called at his apartment, and just two years later we were married. Now after five years of marriage, I can honestly say that I'm the most pissed-on housewife in Richmond, if not in the whole UK.

Jenny, Richmond



A mind-blowing stunner

Splay It Again

Sir: I feel it is necessary to congratulate you on *CI* Vol 13 No 2. It's the best edition for ages, especially Melanie on page 23. The two pics on pages 28 and 29 were mind-blowing. She was a real stunner, and I must warn you action will be taken if she does not appear again in the very near future.

Also in Vol 12 No 12, the feature on 'Kitten' Natividad was great. Ten pages of her glorious figure and enormous tits. Please, please could you feature her again?

Unfortunately, due to geographical reasons, I missed certain issues, one of which featured Tina, who I'd love to see again. And also Annie Ample. That one was greatly missed, so I would love to see her grace your pages.

C M, Surrey

Stop Cock

Sir: Ever since my mid-teens, I've been troubled by a 'dripping cock'. What I mean is, no matter how much I shake it after taking a piss, there are always one or two drops which can be relied upon to dampen my pants. I just happened to mention this to my doctor, who said the problem can be eliminated by applying slight finger pressure at the rear of my testicles. So this is now an automatic procedure as I piss: left hand at the pressure point, right hand holding my cock and giving it one last shake. Strangely enough, my latest girlfriend has a similar problem, which she cures by briefly masturbating after pissing. She says it's more of a psychological cure than anything else, ie, if you're thinking about fucking, who wants to piss? Well, just the other day I tried the same thing, just giving my cock a few friendly strokes after taking a piss – and it worked wonders! My girl and I would like to hear from any other readers who've found novel ways to 'quit the drips'.

Brian and Sandy, Leicester

A Woman's Place

Sir: It's pretty obvious from your readers' letters that the writers know how to deal with their women. None of this women's lib or feminist nonsense. And rightly so.

I've always believed that the man should be the dominant one and that his wife should take second place and be a sex object. As I have told my wife, Theresa, (nicknamed Tittie for two very obvious reasons) she is just a pair of tits and three holes for my delight. And, I'm glad to say, she accepts this. I make no demands on her except sexual ones which she enjoys anyway. Most women are whores at heart, and she is both obedient and submissive.

When I get home in the evening I like her to be waiting for me naked, wearing only very high-heeled shoes to show off her legs, or at most stockings and suspender belt. At first she was rather diffident about going without clothes about the house but I insisted and she soon got used to it. Now she is quite uninhibited, even when friends call unexpectedly and see her in the nude.

Sometimes for fun I bring a friend home – really to show off her beautiful sexy body, I suppose. His face is a study when he is met by a lovely, almost naked, woman quite unconcerned at being seen in her birthday suit by a stranger and moving her body to show off her tits and cunt to their best advantage.

Stripped, she is available whenever I wish to make use of her – to fondle her 34-inch tits, part the cheeks of her delightful arse, to tickle her little hole or open the lips of her cunt to give her a finger fuck. Often I am feeling quite randy when I get in and I start the evening by making her kneel with spread legs and giving her a quick screw, doggy fashion. This is the best way to fuck a girl. You only have to see how the cunt presents itself. You get maximum penetration and can give the dangling tits a good squeeze.

I keep her closely shaved between her legs because I like to see her slit opening and shutting as she moves about, and because I don't like a mouthful of hair when I'm eating her pussy. When she sits down I make her keep her legs apart so that her cunt is fully exposed and I can see 'my target for tonight'.

She likes being shaved. By the time I have finished shaving and powdering her – and I make a long job of it – she is open and wet, has come gently once or twice and is ready for a good fucking.

There are times when I like her to masturbate while I watch her standing in front of me with her legs widely splayed. The way her face contorts as she comes is quite exciting – head thrown back, eyes closed, mouth agape and gasping. I feel like screwing her there and then and often do. I don't encourage her to do this too often as it uses up energy she could better employ fucking. If I catch her diddling herself too much I have to punish her.

I don't have to tell you the pleasure I get from working her over, and by the time I carry her off to bed, or pull her there with my finger hooked up her quim, she is more than ready to be fucked.

I'm toying with the idea of having her screwed by another man while I watch. I've read a lot about this practice. I know plenty of men who would be only too willing to take her off to bed and fuck her rigid. I'm not sure how she would like it, but that doesn't matter. If I wish it, she'll do it – or rather, have it done to her. It should be worth watching her in the arms of another man writhing and gasping as his cock explores her.

BOOBY-TRAP

boo'bȳ-trap. Harmless device concealing explosive charge designed to go off when tampered with.

We receive hundreds of letters from readers requesting pictures of girls with enormous knockers, and our photographers are forever searching the land from John O'Gropes to Glans End for the ultimate in tits. So, imagine our delight when one of our lensmen turned in this set of photos of Trudy. And where does Trudy live? Right here in the heart of London, under our very noses, and on our own doorstep. Trudy is not just a pair of boobs – she's an altogether delightful package with a mind to match. Who would like to see more of Trudy? Letters to Club International, 2 Archer Street, London W1V 7HE.

HE CUPPED A HAND BETWEEN THE UNBELIEVABLE WARMTH OF HER THIGHS.

continued from page 18

room wasted on hubby. He wondered if her full lips had ever sucked a knob or 'given head' as the Yanks so picturesquely put it.

His blankets began to assume the familiar wigwam shape. He could, of course, stop himself – it was just a matter of will-power, like smoking. Soon the familiar warm sticky flood spread over his stomach. He sighed; Mondays were lousy days for resolutions.

The next day dawned as it usually did, even in Streatham. Harry could hardly wait to get through the predictable day at the chain store where he worked as a trainee manager. If only the book could make money and release him from the endless round of customer complaints and perpetual sales. A consolation was that it did provide him with a variety of young salesgirls to lust over, some of whom wore the bare minimum under their nylon overalls.

The best erotic peep-show was at break-times. Always the gentleman, Harry would let the girls precede him up the steep flight of stairs to the canteen. By diligent experiment he discovered that an interval of eight steps behind them afforded the best viewing angle of jiggling young bottoms filling a variety of mini-briefs. Many were the times he had arrived at the top of the stairs desperately trying to tame an erection via his trouser pocket.

Now he dismissed them as too young. Mature women had that certain something. Anyway, they were supposed to be at their sexual peak in their thirties. He wondered if Mrs Mason had peaked, or perhaps never been encouraged to even climb the slopes. It was certainly something to think about.

Crisp And Neat

She had the pages ready for him when he called on Wednesday, his day off. She presented them to him all crisp and neat in a plastic folder. He stood there uncertainly for a moment clutching the folder. She smiled at him.

'Aren't you going to look through them? I'm afraid I can't guarantee perfection.' She moved to the drinks cupboard and busied herself, waiting for his response.

'I'm sure they're fine,' he said, then added needlessly: 'I loathe typing, but you can't submit books in ink these days.' He laughed stupidly wishing he could vanish into the thick pile of the carpet. Suddenly she was next to him wafting expensive perfume and holding two glasses.

'Here drink this, and for heaven's sake sit down and relax.' She indicated the couch and he perched gingerly on the edge. Plonking herself down she looked directly at him. She lowered her voice almost to a whisper.

'Look I can guess what's bothering you. It's whether I'd be upset by some of the things you've written.' He nodded dumbly.

'Well, don't worry. I worked on a farm as a girl, and believe me when you've seen bulls and stallions doing their duty, it all seems so natural. I mean it's only another appetite, isn't it?'

Lot Of Prudes

Harry spluttered, nearly spilling his sherry. He was having trouble with his voice again.

'Oh well, if you put it like that. To tell the truth I was a little worried, still a lot of prudes around!'

Mrs Mason beamed.

'Now we've cleared that up, there was one point I noticed. Of course, I'm no writer, just a lil' bitty ol' typist,' she giggled. 'I didn't like to mention it before.'

Harry tried to appear business-like, and failed.

'No, no. I'd be grateful for any criticism.'

She took the folder from him and leafed through the pages.

'Ah, here we are. Yes, this is it.' She started to read the offending passage in a low husky voice.

Would you like to come in and take the weight off your bra?

'. . . Malcolm lovingly placed his huge hands on Lucy's chubby child-like bottom, letting his engorged penis enter her inch by swollen inch, gently stretching her. As he did so she fondled his heavy balls . . .' Mrs Mason stopped reading.

Harry sat there paralysed, his face on fire (had he really written that?).

'Well?' he managed to croak.

'Don't you see?' she breathed at him. 'Lucy's on all fours, so she wouldn't be able to reach his balls without falling flat on her face.' She moved closer, swamping him deliciously.

'I know it's only a small point, but you do want things to be just right, don't you? I always say nothing beats a bit of practical research.'

She let her weight bear against him, so that he keeled over slowly until brought to a halt by the arm of the couch. The pages fluttered unheeded as they slid to the floor in an untidy heap.

Fleshy Whiteness

Mrs Mason assumed an all fours position, her rump covered by the pleated skirt. She waggled it at him invitingly. He shuffled behind her on his knees feeling absurd, then flipped the skirt up. His awkwardness vanished as he toyed joyously with her suspender straps and stroked the soft fleshy whiteness.

He cupped a hand between the unbelievable warmth of her thighs, and let a finger probe the furry dampness under the flimsy pants. She turned her head.

'It's your prick I want. Fingers I can manage myself.'

His trousers and pants now round his knees, Harry guided his pulsing cock into her wetness, enjoying the slight resistance of her pants on his weapon, and began to rock back and forth.

'You see,' she panted triumphantly, 'there's no way I could reach your balls without being an acrobat.'

'Who cares?' grunted Harry, spurting ecstatically deep inside her, while she spasmed almost painfully on him in her own orgasmic throes, as if reluctant to release him.

Two sherries later, he prepared to leave.

'I hope this won't mean the end of our little arrangement,' she said. 'I'll get on with the next lot if you like.'

'Fine,' said Harry. 'Of course, there might be some more points which need clearing up.' Mrs Mason smiled.

'I wouldn't be a bit surprised.'

These pages are available for you to show off any object dear to your heart. We pay £25 for each entry published, irrespective of the number of photographs. Below: Here's a young lady who wishes to remain anonymous but would like to show off her sun-tan to readers.

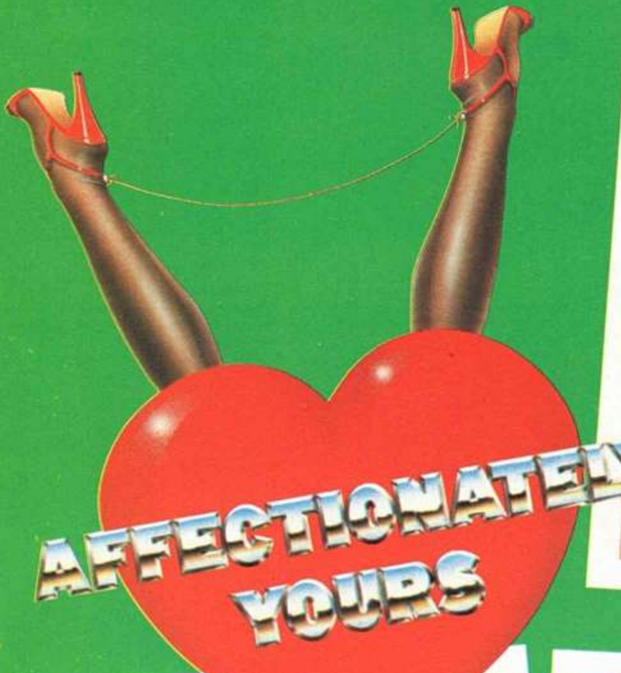
Right: Edwin from Hong Kong sent in these photos to give us all the benefits (nearly all anyway) of Eastern Promise.

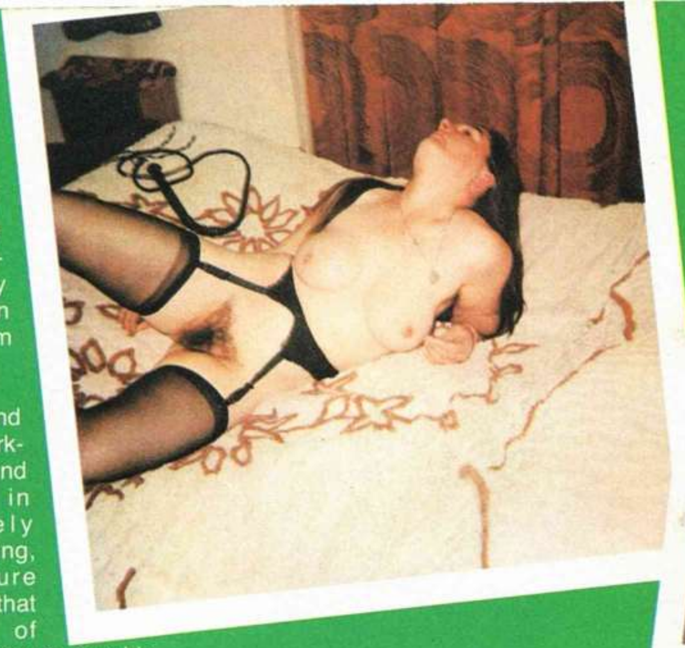
Top right: She wouldn't tell us her name but here's a delicious young lady who doesn't shy away from showing all her goodies.

Bottom right: Nikki thought her schoolgirl looks would turn the readers on. She's 18 and those tasty tits measure 40 inches.

AFFECTIONATELY YOURS

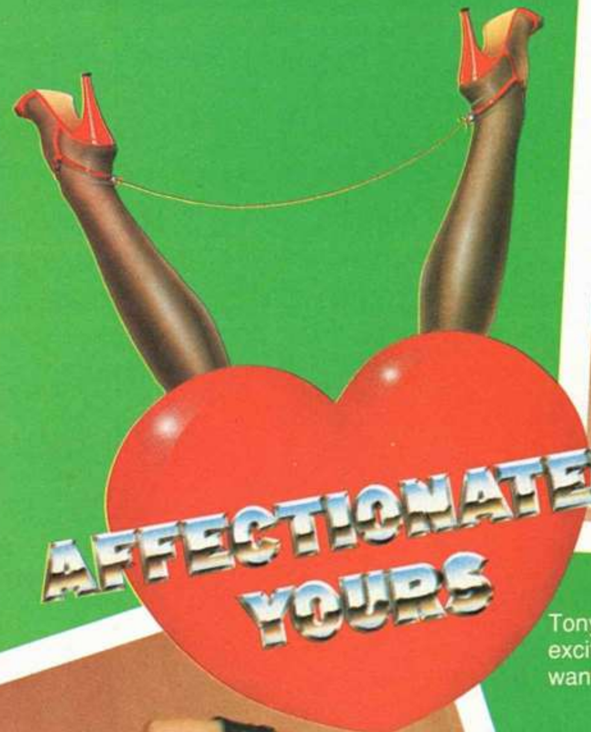


Left: Gill's ambition is to appear in the Affectionately Yours pages. And how could we refuse a lady who wears such gorgeous undies? Especially when we can make a dream come true.



Right: Leala and Donald from Yorkshire say they find the pictures in Affectionately Yours stimulating, and we're sure readers will find that these photos of Leala compare very favourably.

Jacques from Paris finds it very difficult to remain indifferent to Annie's charms, particularly her buttocks, he says. Who can blame him?

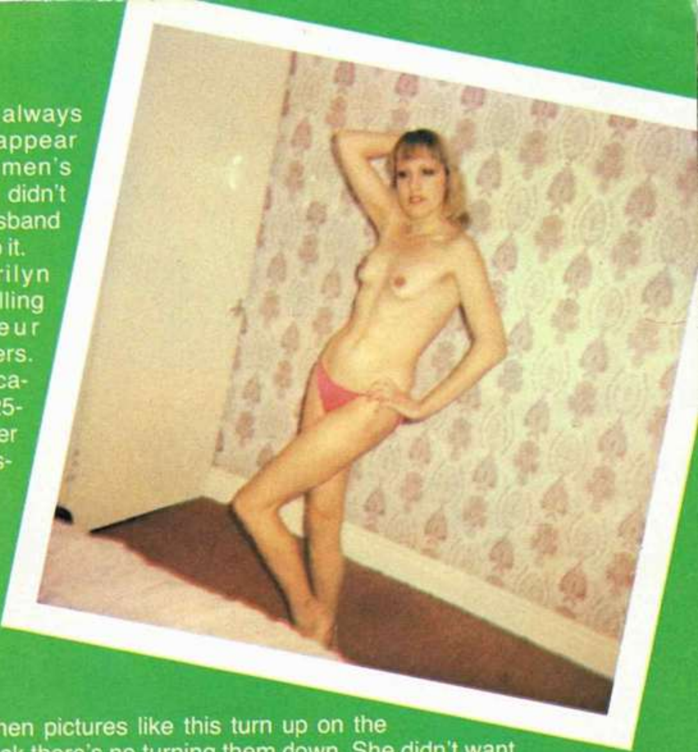


AFFECTIONATELY YOURS

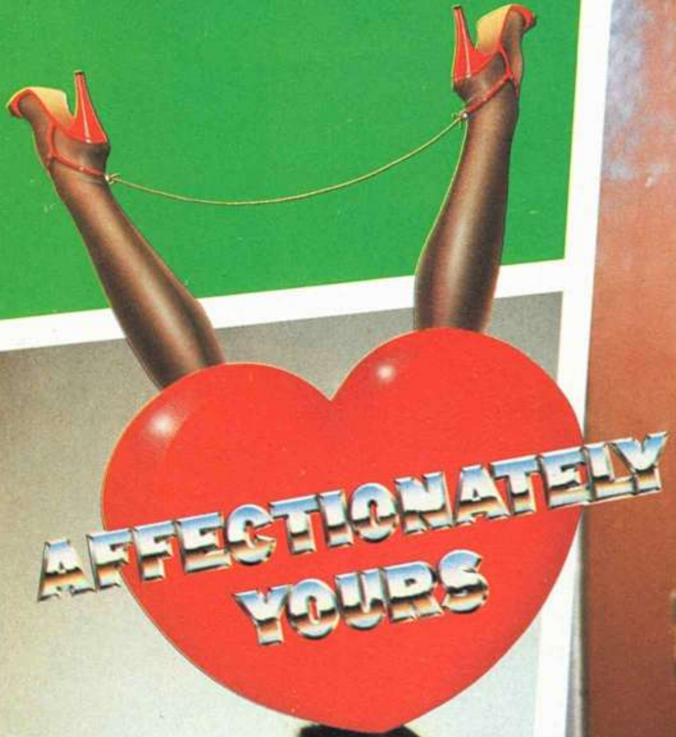
Tony from the North-West has obviously got some very exciting ideas about how to go about getting what she wants.

Left: Sue's always wanted to appear nude in a men's magazine but didn't until her husband talked her into it.

Right: Marilyn does modelling for amateur photographers. Her qualifications at 37-25-37 place her with professionals.



Below: When pictures like this turn up on the editor's desk there's no turning them down. She didn't want to tell us her name, but, as the saying goes, a rose by any name smells as sweet.



AFFECTIONATELY YOURS

Right: The gorgeous creature featured here would love to pose in *Club* wearing sexy underwear, although she says she's reluctant to do close-ups.

D.A.E. who captured his lady friend, Chola, in restful moments, thought these photos might refresh and inspire the imagination of *Club* readers.

Below: From Holland we have the very sexy Mathilde sporting the wild Red Indian look. The pictures were taken by boyfriend, Titia.

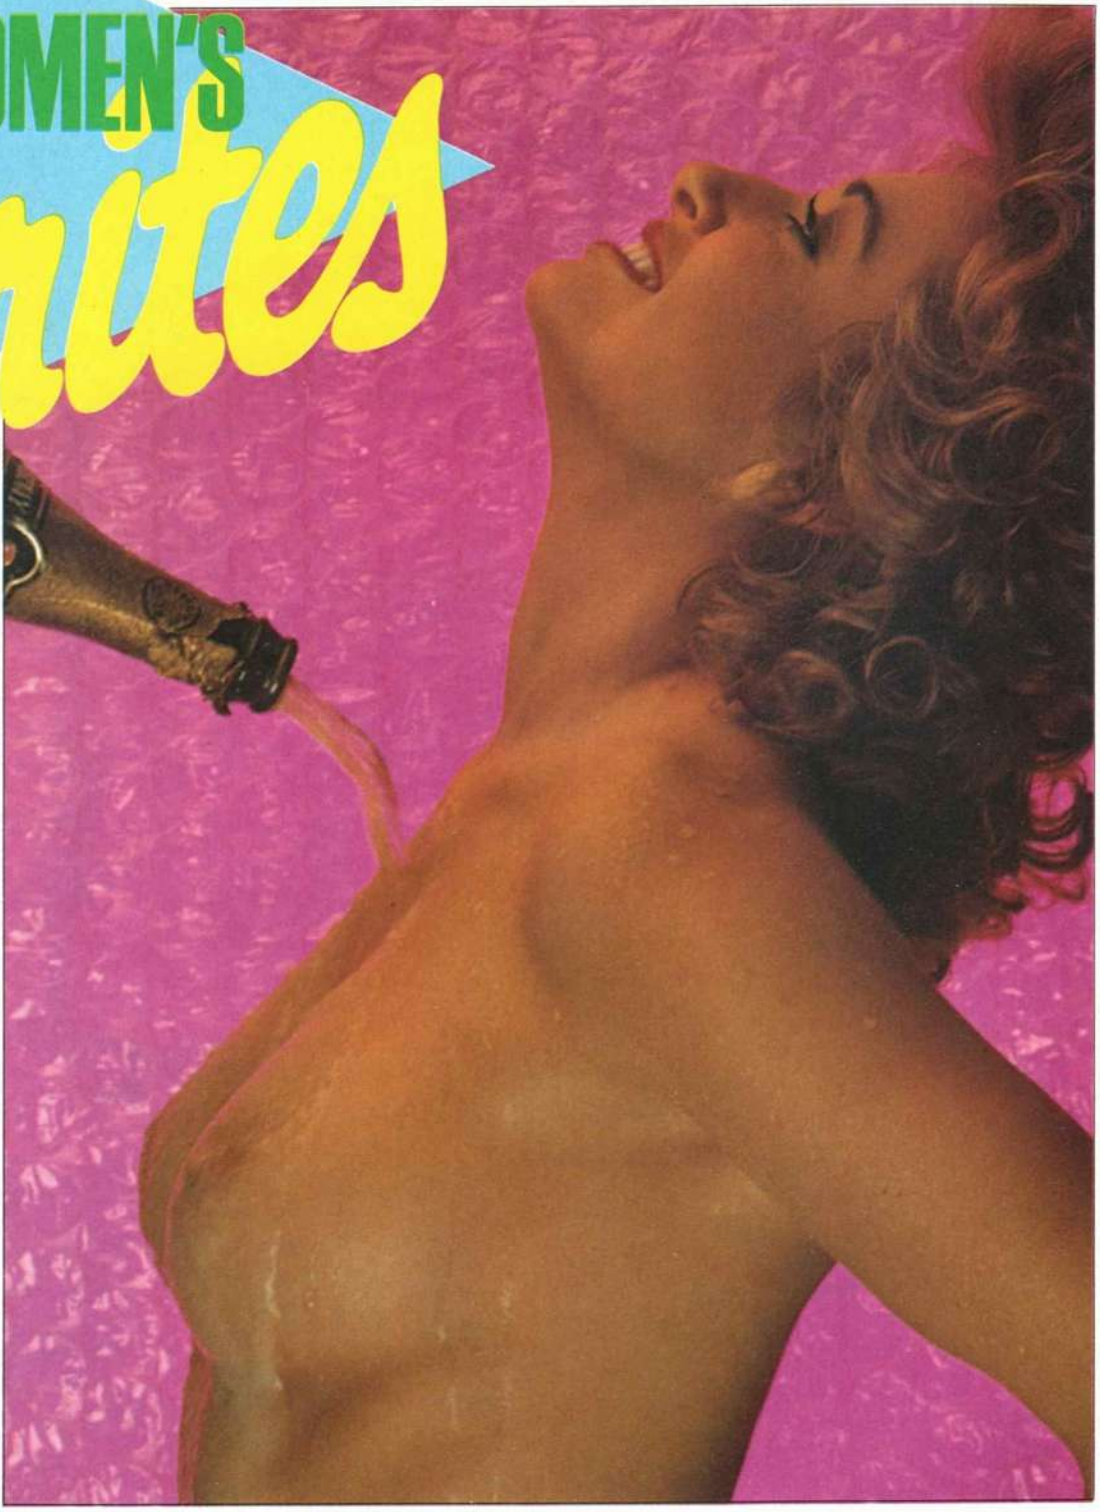
WOMEN'S Writes



Our women readers reveal their indiscretions and get their sexy secrets off their chests.

Last year was the first time my friend and I had been abroad. We were both very excited about it, but neither of us had any idea quite what a time we were going to have of it. We'd saved for ages to go, but at least we didn't have to fork out a fortune on clothes. Sardinia, we decided, would be hot enough that all we'd need was a couple of skimpy bikinis – the sort that just cover the pubes and nothing else – a few pairs of the weeniest shorts and T-shirts.

Our boyfriends weren't too keen on the idea of the pair of us going out into the great wide world on our own together, but they'd been off to Greece earlier on in the summer and we knew that the ouzo and goat's cheese they told us about hadn't been all they'd sampled of the local culture.

Plain Sailing

Our families came to see us off at the coach station and we had to try very hard to keep a straight face hearing their last words: 'Be good!' What's the point of going on holiday if you can't get to do the things you can't do at home?

In London we caught the train at Victoria, and from there on it was plain sailing all the way to Paris, where we had to change trains again. We had a few hours before our connection was due, so we thought we'd take advantage of it and do the tourist bit rather than hang around the station.

So off we went to see Paris dressed only in our tiny shorts and button-up T-shirts. First stop, of course, was the Eiffel Tower which in our enthusiasm we decided to climb up instead of taking the lift. It was very hot so after that little mountaineering effort all we were fit for was a rest and a long cold drink.

We made our way to the Champs Elysees and sat down outside one of the cafés, ordered a drink and watched the world go by.

After some time I noticed a couple of guys sitting across the café were quite definitely giving us the eye. Carrie, my friend, had her back to them so she couldn't see what was going on. They were both incredibly handsome. I remember licking my lips, as though in anticipation but I pretended I hadn't noticed.

Then the waiter came over and handed me a paper napkin. I opened it up and inside there was a message written in English: 'Our names are Jean Luc and Gerard. Would you like to join us?'

Intimate

I looked up and saw them both looking at me smiling. I grabbed another napkin and wrote on it: 'Our names are Carrie and Alison. We'd love to.' And called the waiter to take them the message.

Soon we were all chatting away like we'd known each other all our lives. They asked us if we'd like to spend the evening with them. We had open tickets, and since we weren't tied down we agreed.

They showed us round Paris in the afternoon, and in the evening they took us for a delicious intimate meal at a very nice little restaurant.

After dinner all four of us went back to Jean Luc's flat which was absolutely beautiful. It looked like a film star ought to live there. It had incredible

WOMEN'S Writes

suede sofas and beautiful modern abstract paintings on the walls. The floors were parquet and covered in colourful Persian rugs.

Carrie had already paired off with Gerard, which left me Jean Luc. Frankly they were both so attractive I wouldn't have minded which one I ended up with. Although in the event, I didn't miss out at all.

Undressed

Gerard and Carrie disappeared after we'd consumed a couple of bottles of champagne, leaving me and Jean Luc alone together in the sitting room.

We were sitting close together on the floor. Then he moved even closer and we began to kiss. His lips moved over my face and down my neck. His hands reached up and started to unbutton my T-shirt. I don't have very big tits so I wasn't wearing a bra. I do have very large and sensitive nipples though, and so as he tweaked, twisted and rubbed at them they grew stiff and erect in response to his touch. He totally undressed me in no time at all, stroking and caressing me with his hands and tongue as he did so.

Sitting astride me, he reached for another bottle of champagne from the ice bucket and poured the ice cold liquid over one of my tits. He bent his head quickly and licked as much of it as possible before it dribbled onto the floor. Then he did the same to my other tit. The effect of the ice coldness and bubbles falling on my nipples plus the heat of his breath and lapping tongue had my cunt dying to be fucked. My love juices were flowing almost as freely as the champagne.

His fingers probed into my cunt. After a while he pushed my legs right back over my head, exposing all of me to his touch and sight. Once more he took hold of the champagne bottle. He tipped it and poured the contents into my already sopping fanny. My cunt seemed to swallow up most of the champagne greedily, but some of it overflowed and cascaded down over my buttocks and into the crevices between my bottom cheeks.

He put his head between my legs and began to lap up the champagne, this time mixed with my love juices. It felt incredible.

My vagina was pulsating, contracting and expanding. I felt the champagne inside me whoosh out when the muscles contracted, into Jean Luc's face. He licked harder. I was literally screaming out my ecstasy as I orgasmed again and again. I'd never experienced anything like it in my life.

I saw his prick, engorged and rock hard. It was purple with the pressure of the blood pumping through it. He pushed the jutting rod into me, sliding it in and out of me again and again, harder each time.

I wrapped my legs tightly round his middle so I could really force him right inside me. Finally he came, sending his cum jetting into me.

We relaxed back on the floor, exhausted but still kissing and cuddling, and knowing there was still more left where that came from. We lay on the floor, naked, relaxing and sipping champagne. Carrie and Gerard came back into the room. They were both naked and bore all the signs of having had a pretty vigorous sex session themselves.

Love Bites

Carrie's body was shining with sweat. Her breasts were taut and erect and covered in small love bites. Her hair looked wild and untidy. They came and sat on the floor with us. Totally uninhibited we all sat together on the champagne drenched floor smoking and drinking in a room which already reeked of love making.

Gerard was sitting near my feet. He began to kiss and caress my toes, and in no time at all he was working his way up my legs. He was much more muscular than Jean Luc and, I guessed, probably stronger. Jean Luc was stroking Carrie's hair and I noticed how she responded to his touch with her eyes closed, mouth slightly open and her breathing slightly quicker than usual.

I got up on my hands and knees and moved forward to take Gerard's half erect cock in my mouth. Teasing it with my tongue, and stroking his balls at the same time, I brought it to its full size.

Carrie and Jean Luc were getting more and more into it. Their hands roamed all over each other and Carrie moaned softly as Jean Luc's body touched hers and his fingers delved at her tight cunt.

We were all very close together and eventually we all merged into one group – licking, kissing, sucking and touching each other.

Dominating

I wanted to experience Gerard's lovemaking as well though, and Carrie was obviously very keen to get it together with Jean Luc. Gerard was much more dominating than Jean Luc. He used more of his strength to fuck, whereas Jean Luc was more sensual.

I got on my hands and knees to give Gerard an enticing view of my arse and fanny, which also gave him a pretty good idea of what I was after. He immediately took hold of my hips and, after feeling inside me with just one finger, he rammed himself into me, thrusting hard, rubbing at my pussy with his free hand. My cunt pulsated around his prick, squeezing it tightly, swamping it with love juice as I felt myself on the brink of yet another orgasm.

I looked at Carrie and Jean Luc in front of us. She was riding on top of him, bucking backwards and forwards as though she was being tossed on a very rough sea. Jean Luc's hands were pulling at her breasts and his buttocks bounced up and down on the floor as he fucked her. Sweat was pouring off both of them. The sight of them fucking really turned me on even more.

Gerard bit at my back while he drove into me. It was slightly painful but only so much as to really get me going. We kept banging together until we both exploded at the same time.

The noise of our lovemaking must have turned the other two on because, shortly afterwards, we heard them grunting and moaning as they both came. Then we all relaxed again together. But that wasn't the end of it. Although we did grab a couple of hours sleep before we started off again.

The next day we had to catch our train to Sardinia where there were a lot more lusting cocks waiting for us but nothing to compare with Gerard and Jean Luc. And on the way back to England at the end of our holiday we met up again and repeated the experience.
